The Serenity Club, located at 8121-B Richmond Highway in Alexandria, has supported the recovery of thousands of people from the disease of alcoholism and other addictions, for more than 35 years. The Club is a non-profit organization whose purpose is to disseminate knowledge and information about the disease of alcoholism and to provide a meeting place for 12-step Programs.

The Serenity Club provides a meeting place for 12-step recovery groups but does not represent and is not affiliated with any such groups or organizations; the groups themselves are entirely autonomous and pay rent for use of the Club's facilities.

The Serenity Club has experienced rising expenses and is currently increasing fundraising to meet them. We ask for your support to help make this a successful event for the community. We will acknowledge your contribution in our programs and newsletter, and provide an opportunity for you to advertise or display information about your business.
